South Asia Trade & Investment Masterclass

India · Bangladesh · Sri Lanka

ONLINE

7 October 2026

What you'll get

01 Austrade market briefings

India, Bangladesh and Sri Lanka — where the demand is and what is moving now.

02 Market entry, legal and financial considerations

Compliance, tax and the legal and financial structures that actually work.

03 Energy opportunity deep dives

The India Energy Stack, plus Bangladesh battery, solar and renewables demand.

04 “Cracked the market”

Australian businesses already succeeding in South Asia on what it took.

05 Panel and live Q&A

Moderated by Scott Hamilton — ask the speakers your market questions directly.
